

Georgia Historical Society Biography Vertical File Index

The GHS Biography Vertical File Index is a guide to the contents of the Biography vertical files maintain by GHS. Vertical files contain newspaper clippings, journal articles, and various published and un-published resources about a particular subject. Information on individuals listed in the index whose names are in capital letters and highlighted have individual files. Information on individuals whose names do not appear in all capital letters and highlighted are combined in group folders. Vertical files are accessible in the GHS library and archives reading room.

The GBS Notebooks listed as a *See* or *See Also* resource are an additional biographical source in the GHS library and archives reading room.
