Featuring a Lively Discussion with the 2011 Georgia Trustees

The Georgia Historical Society, in partnership with the Office of the Governor, has reconstituted the Georgia Trustees, a group created in 1732 to foster the development of the young colony. The spirited vision of these leaders lives on through the actions of Georgians whose service and philanthropy have profoundly shaped our state and nation.

Please join us as we honor those in the modern era to join this distinguished group.

**Vince Dooley & Sam Nunn**
